SUPPORTING OUR MEMBERS FROM UKRAINE

ICR board decided to help colleagues from Ukraine to be part of the General Conference. We offered a financial support from our budget for 4 colleagues from Ukraine.

ICR PLENARY MEETING

Because of hybrid General Conference and only four days of the main conference, there is no time for many International Committees to organize their plenary meetings. ICR postponed the Plenary Meeting to September – kindly follow our messages on the matter.

We look forward to seeing you in person or on the screen,

Irena Žmuc and ICR Board
